DARTS FOR DREAMS 6

To benefit The Make A Wish Foundation[®] of New Jersey

This year's total was \$16,733.50.

Our total amount collected and sent over to the MAWFNJ in our 6 years is now around \$83,000! This is a testament to everyone involved. Those of you who attend the event, sponsor the event, volunteer your time leading up to and at the event. Those of you who buy raffle tickets, auction items or make a donation. Without everyone, the event would not succeed.

This year, 71 attendees participated in the event. While down from last year, this still shows a commitment from the players in the Greater Trenton Dart League, along with the other leagues in the area, including the Greater Bordentown Dart League, Quaker City Dart League and the Advanced Singles League. Thank you for being there.

On the flip side, we had about 125 sponsors this year. This is up about 12 from last year, and continues to show the general support from the businesses in the local communities and the general dart community. I am amazed at the amount of support we receive yearly from our sponsors.

Congratulations go to our winners: Jim Newman (Mens and Overall), Michelle Dolan (Womens), QCEDL (Team), and Mike Dougherty and Theo Luhrman (Youth).

Thanks to everyone!
