

The Greater Trenton Dart League's  
annual Players Tournament is announced!

***Due to a lack of players,  
this event has been cancelled!***

Thank you to all of the players who qualified over the past two weeks and to those who contacted me regarding late qualifying on Saturday. Unfortunately, we were still short on the number of players to make this event worth running.

The board will look at rescheduling this event later in the dart season if it makes sense.

I'll work on returning any money to those that have paid over the next week or two.

I apologize for any inconvenience this causes anyone in particular this Saturday. Hopefully that is less than everyone setting up and breaking down, plus showing to find the event not taking place.

A normal weekly Luck of the Draw will be held at Buddy's Shamrock Pub in Hamilton on Saturday night.
