Notice all members / sponsors

Winter weather is upon us. As a result, snowstorms are inevitable. On a league night they wreak havoc with captains trying to postpone matches and notify team-mates.

The league, in the case of severe, inclement weather, may Postpone all schedule matches negating the need for captains chasing each other down. In this case a general notice will be placed (prior to 6pm) on the league forum located at: <http://sports.groups.yahoo.com/group/njdforum/>

League Web Page: <http://www.njdarts.com/njdl/index.htm>

 (all members are encouraged to become fans)

If you have any doubts on a given night you should check out these many sources ahead of time, it will save you a great deal of aggravation. Don't sit at home waiting for a phone call, it's not coming! Make sure your team-mates are also aware of this. General postponements are rescheduled for the next available scheduled make-up date on the schedule and have priority over all other pending make-ups. This makes it urgent for teams with outstanding matches to reschedule them ASAP (see rule 4.11 Postponements).

No make-up is permitted after the make-up date. Un-played matches are considered **NO Show Forfeits**, penalties and fines will be applied.
