Re: Make-up matches played on April 20, 2010 score sheet/dues must be received by the league office the following day. This is necessary to complete the 2009-2010 player ratings and team seeds for QP Tournaments and Playoffs respectively. Teams that fail to comply shall not be seeded nor will members be eligible for QP Tournaments.

All playoff matches shall be played as scheduled and where scheduled. Alternative dates and venues are not an option. The NJDL has made commitments to Sponsors and halls and we will not renege. Halls ie: N.M.A.C. has made a financial commitment to the NJDL assuring hall availability (at no cost) and kitchen services throughout the playoffs. Any matches not played as scheduled where scheduled will be declared void & unplayed.

The playoff dates have been on the calendar since September. This is nothing new so don't act surprised. Playoff weekend is a big part of the NJDL. Everyone has had ample time to make necessary arrangements to be there!

There will be NO exceptions!

Sponsors: Please post Weekly Results near the dart board so they are available to NJDL members on League Night
